

Shoshana Savitz

What are your current roles at TI?

I have been a member of the Board of Directors for the past three years, the last two years as the Sisterhood co-president, and serve on the Education Committee. I have served on the Sisterhood Board for the past nine years in various roles leading up to president.

How long have you been a member of TI?

I have been a member of TI for 11 years.

What do you do for work and in your free time?

I work as a social worker at Jewish Family Services of MetroWest. I also spend much of my time being mother to my 9-year-old daughter. Besides my volunteer work at TI, I volunteer at my daughter's school whenever possible.

What excites you about the future of TI?

I am most excited about the educational and youth programs. I love seeing my daughter (a graduate of the Judy Gordon Nursery School and currently in the Religious School) excited about Jewish learning and feeling so at home at TI. For me personally, I feel a very strong sense of community at TI and feel excited when new members join or old members recommit and become involved in that community.
