Teshuva in the Age of #metoo.

Saturday night, September 1, at Temple Israel of Natick

Participating Congregations:

**Congregation Or Atid, Wayland; Temple Beth Am, Framingham;
Temple Beth Sholom, Framingham; Temple Israel of Natick.**

In this cultural moment of fallen idols, moral condemnation and the need to do Teshuva (Repentance) play out daily in the glare of the public eye. How do we react when people we have admired, or know personally, are exposed for having acted shamefully? How does it affect our own self-reflection as we prepare for the High Holy Days?

Join the Clergy from our Metrowest congregations for a lively discussion and text study on Teshuva in the Age of #metoo.
