

Temple Israel Kol Nidre High Holiday Appeal

As many of you already know, the Kol Nidre High Holiday Appeal is a very important annual fundraiser which allows us to keep doing the many things that we do so well as a sacred community. Membership dues alone cannot pay for the wide variety of religious, educational, and social programs and activities that we provide.

The generous donation that you give to the Kol Nidre High Holiday Appeal goes directly towards defraying the general operating costs of our Temple, which includes, but is not limited to, salaries for our talented staff and clergy, maintaining our beautiful facility and grounds, keeping the building warm in the winter and cool in the summer, and so much more.

This year the Kol Nidre High Holiday Appeal faces a special challenge due to the fact that we will not be placing personal pledge cards on your seats. In the past, these pledge cards accounted for a substantial number of contributions to the Kol Nidre Appeal.

For those of you who typically made your pledge with the “seat cards” during Kol Nidre services we thank you for your continued generosity and ask that this year you either respond to the pledge card that you will receive in the mail, or that you contact us by email at kolnidre@tiefnatick.org; please include your pledge amount so that you may be billed appropriately.

On behalf of the Kol Nidre High Holiday Appeal committee, Jon Miller, Erez Azaria, and Stuart Alford, we wish you a sweet, happy, and healthy year.
