Do you know someone who is struggling to get by?

Being a part of our Jewish community means that everyone has someone to turn to and no one is alone. Together, we can make things better.

The CJP Warmline connects families and individuals experiencing financial distress with a compassionate, knowledgeable professional who can help them:

- Access emergency financial assistance
- Find career counseling and job search support
- Access food, utilities, and fuel
- Connect a child with a mentor
- Navigate public benefits
- Receive guidance and information

Call the CJP Warmline at 1-800-CJP-9500 or visit cjpwarmline.org
