

NEW AND IMPROVED

TI Monthly Standing Scrip Order Program

*Don't hand stores and restaurants cash – hand them a scrip card instead!
 Each card generates income for Temple Israel while you receive 100% value of the card!
 No need to worry about order dates or on-line ordering -- we take care of it all!*

Commit to as little as \$10/month. You'll receive the full value of the card and Temple Israel will receive 3-15% back from the retailer. If every TI member participates, we can generate a lot of FREE money for the temple! Join today...it's easy!

- Decide which card(s) you would like on a monthly basis
- Complete and return this form to the Temple office.
- We'll notify you when the cards arrive. Pay for the cards at pickup. Modify your order at any time.

Cards can be picked up during normal office hours. There will now be monthly Sunday pickup times during religious school hours. Can't get there during those times? We'll make other arrangements to get you your cards.
