

Auld Lang Syne: in Yiddish

Ver ken fargesn alte fraynd
 Zey lign in gedank
 Lomir gedenken alte fraynd
 Mit simkhes un gezang

Who can forget old friends?
 They lie in one's thoughts
 Let's remember old friends
 With celebrations and song

Dermon zikh tsu di alte teg
 Dermon zikh fun a mol
 L'khayim tsu di alte teg
 Un simkhes fun a mol

Reminisce about the old days
 Remember long ago
 Let's drink to the old days
 And good times from long ago
