I am a Big Old Tree

I am a big old tree, stuck in the ground is me
If I had just one wish, I'd like to dance like this:

I'd do a little bump, I'd do a little twist,
I'd do a little jump, I'd wiggle just like this
I'd do the funky chicken, it's silly, yes I know
And then I'd pack my trunk and hit the road!

It [the Torah] is a Tree of Life

Eitz chayim hi la-machazikim ba v'tom-che-ha m'ushar... shalom, shalom
It is a Tree of Life to those who hold fast to it, and all of its supporters are happy! Shalom...
