

Men's Club Events

Due to the current social distancing orders, in person Men's Club events have been suspended.

We are working to schedule more online programming for our membership. Your input will help, please let us know what events you wish to see in the survey below. We look forward to being together again physically for Club activities and as a TI community as soon as it is safe. Until then, we continue to work together to create community in other ways.

SAMPLE Men's Clubs around the country are hosting Zoom Happy Hours for their member to get together and shoot the breeze for an hour or so. Please join us next **Thursday April 29 at 7 pm** for some welcome camaraderie. Check your email for the Zoom information and link.

Please participate in [our brief survey](#) to help create programming that meets your needs. We value your input, and of course if there is anything you would like to communicate beyond the survey, please feel free to be in touch.
