

For Yom Kippur 2020 (5781), we are creating a slideshow to stream during Yizkor services. If you would like to include photos of those loved ones you are remembering, please email the photos to fbfrothkopf@gmail.com by September 8, 2020.

To turn printed pictures into digital files:

1. Use your cell phone camera to take a picture of the picture.

OR

2. Use your printer's scanner feature (if you have one) to scan the photo and save it to your computer.

To send image files from a computer:

1. Open your email application and begin a new message addressed tofbfrothkopf@gmail.com
2. Use your email application's ability to attach a file (usually a paper-clip icon).
3. Locate the scanned file and attach it to the email.
4. In the body of the email, please list the name of each person whose photo is being included, AND the name of the person/family remembering them.
5. Click Send.

To send pictures from a phone:

1. Take pictures using your iPhone or Android Phone
2. Pick the photo you want to send and click on it.
3. Most cell phones have the ability to share the photo by using your email program.
4. Address the email to fbfrothkopf@gmail.com. In the body of the email, please list the name of each person whose photo is being included AND the name of the person/family remembering them.
5. Click Send.
