

2023 Youth and Family Services Schedule and Registration

On the first day of Rosh Hashanah (9/16) and on Yom Kippur morning (9/25), we are excited to institute a new program. We will hold open lounges from 10:15-11:15am for youth of all ages in our tents (stay tuned for more information). These lounges will be followed by **Youth Services and programming (ages 2-18)** also in tents on the Temple property (weather permitting). Youth services will begin promptly at 11:15am and conclude at 12:15pm. Our programming will focus on themes of the High Holiday season, through prayer, music, stories, drama and nature. **Please note** - The Young Children service (ages 2-2nd grade) requires that an adult be present with a participating child/children.

Young children are invited to join their parents at services in either the Sanctuary or Social Hall or to attend one of the open lounges prior to the start of children's services.

We will again hold a **Family Service** on the second day of Rosh Hashanah (9/17) in the tent, beginning at 11:15am and ending at 12:15pm, this creative service is filled with joy, song, stories and, of course, shofar-blowing, and is geared to families with children of all ages. Babies, toddlers, strollers - all are welcome!

All of our services are carefully planned to meet the developmental stages of our participants, and staffed to provide a safe, meaningful and age-appropriate High Holiday experience. Our intention is to excite, inspire and connect our youth. We can't wait to kick off 5784 with song, prayer, and fun! Please continue to check your weekly Constant Contact and our website for updated information and any required registration form(s). Please be in touch with the office (office@tiofnatick.org) with any youth services-related questions.

Please make sure your children are in the appropriate program or service for their age group. Your assistance in this area will allow all of us to celebrate a safe, rich and joyful High Holyday experience.

We are excited to welcome in the New Jewish Year with our youngest friends and look forward to seeing you there!
