Guest Speaker

**Dr. Shamam Waldman**

**Topic: The past comes to life: Using DNA to uncover Ashkenazi origins**

Scholars have for years debated the origins of Ashkenazi Jewry, proposing a variety of theories. More recently, genetic analysis has been marshaled to shed new light on this question. Dr. Shamam Waldman will share her perspectives as lead author of a recent publication in "Cell" analyzing DNA from 14<sup>th</sup> century Jews in Erfurt, Germany.

**\*\* Open to the entire Temple Israel of Natick Community \*\***

Please RSVP to [mensclub@tiofnatick.org](mailto:mensclub@tiofnatick.org) or send the form below to: Temple Israel Men's Club, 145 Hartford St., Natick, MA 01760
