

2024 Youth and Family Services Schedule and Registration

We hope you can join us for youth and family services at Temple Israel of Natick!

The family service with our rabbis on the 1st day of Rosh Hashanah (Thursday, 10/3) will take place from 11:00 AM- 12:15 PM in our large tent. This creative service is filled with song, stories, and shofar-blowing and is geared towards families with children of all ages.

Youth services and activities, including the family services for families of kids ages 0-5, for the 2nd day of Rosh Hashanah (Friday, 10/4) and Yom Kippur (Saturday, 10/12) will also take place from 11:00 AM-12:15 PM. The family service and activities for families with young kids (with their adult/s), led by Beth Glick, will take place in the large tent. Youth services for other ages will take place in smaller tents or indoors. Programming will focus on themes of the High Holiday service through prayer, music, stories, nature, and hands-on activities.
